CALL FOR PRESENTATIONS

The APATAP Committee is inviting submissions for its 2020 Annual Conference, on current trends and practice in workplace violence and the role of threat assessment in preventing occupational harm. All topics in the area of threat assessment and management are also welcome.

We encourage submissions from professionals of all backgrounds including law enforcement, corporate security, legal, HR, media, forensic mental health, and academia.

Example topics in threat assessment and management:

Workplace violence and corporate threats

Campus violence and threats

Group, gang, and terror-related violence

Grievance fuelled violence and threats

Stalking and harassment, family violence, sexual violence

Ethical and legal issues in threat assessment

Insider threat

Integrated multidisciplinary threat assessment and management: e.g. how private and corporate threat assessors can work with law enforcement agencies

Online interpersonal violence

Legal reform to improve assessment and management

Closing date for submissions is 2 September 2019.
